Compliance Verification:

The student has just completed his or her senior year in a Pennsylvania home education program. I verify that I have not received notice that a review for non-compliance for his or her home education program by the district of residence has been filed or that a due process hearing is pending (as provided by the PA Home Education Law), and that I will notify PHAA immediately if such contact occurs. I understand that PHAA cannot issue or honor a diploma for any student whose educational program is under review or pending a hearing for non-compliance until such time as the review is completed and the superintendent or hearing officer has determined that appropriate education has occurred.
