

PHAA Evaluator Application Form

I have read your requirements and procedures as published in *Guide to PA Homeschoolers Diploma* (available as a free download at www.phaa.org) and I would like to join PHAA as a member evaluator. Enclosed is a check or money order for \$15 payable to PHAA. In return for the \$15 dues, I understand that I will get:

- An email notice including the link whenever our online student newsletter, *The Excelsior*, is published.
- A listing as a member evaluator in our newsletter and on our website.
- Ability to award PHAA credits to your evaluatees.
- Voting privileges at our membership meetings and on our written ballots.
- Access to the private PHAA Evaluators' Website (at www.phaa.org) where I can put together and edit student transcripts, participate in the evaluator's forum, get access to info for evaluators, post my biography for the public evaluator listing and even upload my photo for that listing.

The password-protected Evaluators' Website is especially useful. While you are a member, you can use it to:

- Create or update transcripts for your evaluatees.
- Advertise your services by posting or updating your bio in the website's *Evaluators Listing*.
- Post (or answer) questions that will go by email to all PHAA evaluators.
